*Proposal of Services for Web, Graphic Arts & Logo Design*  
*DATE*  
*For*  
*COMPANY NAME*

### Company Overview:

**CyberDimmensions (CyberD)**, an Illinois Limited Liability Partnership established in 1995, specializes in providing Web and Graphic design to the Chicago metro area. Located in Aurora Illinois, we offer a full range of sophisticated marketing solutions. Our *innovative solutions* will surpass your expectations without exceeding your budget. We provide you with an excellent opportunity to promote your business professionally to millions of people globally.

### Our Design Philosophy:

We understand what it takes to build a successful website. The most prominent feature of **CyberD** is our ability to put your company on the World Wide Web at an affordable price without sacrificing design concepts. We use state-of-the-art technology to create an interactive and professional website. Our mission is to develop an attractive website that you will be proud of, yet simple enough that the end user will be able to find exactly what they are looking for with a minimal number of clicks.

We stand behind our product. Since starting as a one-person operation in 1995 we still maintain excellent relationships with our original clients. To this date we have never lost a client because of unsatisfactory services. We believe in building client relationships that last the lifetime of the business.

### Product Overview:

**COMPANY NAME** is in need of SERVICES AND OBJECTIVE MIRRORED HERE.

To help meet CUSTOMER NAME's current objectives, **CyberD** will develop a working prototype to present for review by DATE.

## Project Fees and Projected Expenses

- CyberD will work within a fixed-price model for all services included within the scope of this proposal. These estimates are denoted in U.S. dollars at a base price of \$85.00 per hour.
- Fees denoted below include all applicable fees, taxes and materials. Hosting and search engine optimization is separate.
- Durations are approximated, and include all work, reviews, and revision cycle time.
